**REQUEST FOR QUOTATION NO. ESARO/21/2017**

Dear Sir/Madam,

This is to inform you that, due to an issue with the procurement process, we are re advertising the Request for Quotation for the “iAccelerator video” process. We are therefore seeking for proposals from registered companies for the provision of iAccelerator videos for the United Nations Population Fund Eastern and Southern Africa Regional Office (hereon referred to as UNFPA).

Please note that we will need two distinct documents for the technical proposal and the financial proposal.
